EDUCATION

University of California, Irvine

B.S. in Biological Sciences

Expected 2029

GPA: 4.0

Wayzata High School, Wayzata

High School Diploma

- Relevant Courses: AP Biology (5), AP Chemistry (5), AP Calculus BC (5)

EXPERIENCE

Save A Life MN | Coon Rapids, Minnesota

August 2024 - August 2025

Nationally Registered Emergency Medical Technician

- Delivered onsite emergency medical interventions at athletic events, where I treated basic bleeding to concussion/fractures in pediatric to adult populations
- Developed professional communication skills with patients, parents, coaches, and event organizers

Lifesaving Club | Wayzata High School

Founder

June 2024 - June 2025

- Founded and administered Wayzata High School Educating Everyone in Lifesaving (EEL), which taught free NREMT concepts to students
- Led the volunteer EMS service in conjunction with the University of Minnesota Emergency Medical Service during the third annual Twin Cities Asian Fair; provided service for ~3,000 visitors over 8 hours

Fiveable | Remote

Student Host

May 2023 - April 2023

- Educated an audience of ~800 students in Fiveable "Cram Sessions" according to the 2023 Advanced Placement (AP) Biology curriculum, specializing in graphic design and conceptual teaching
- Contributed to a 30% increase in student-reported confidence in post-exam surveys

RESEARCH EXPERIENCE

University of Minnesota - Hematology, Oncology, and Transplantation Division

June 2022 - August 2024

Volunteer

- Investigated potential immunotherapies for mesothelioma and NSCLC in a team of doctorates, graduates, and other volunteers
- Gained skills in cell culturing and laboratory procedures with gel electrophoresis, Western Blotting, fluorescence
- Contributed to publications: *ADAR1 Regulates Tumorigenesis and Stem Cell Properties in Non-Small Cell Lung Carcinoma* and *Investigating the Role of VISTA Immune Checkpoint in Human and Murine Mesothelioma Cell Lines*

ACHIEVEMENTS

Certification as Nationally Registered Emergency Medical Technician

Presidential Volunteer Service Award (Gold for 3 years)

I have served over 800 volunteer hours from September 2021 to present
